

## Assistant Professor

The Occupational Therapy Program, Department of Kinesiology at the University of Wisconsin - Madison is inviting applications for a nine-month tenure-track position beginning Fall 2012. We are seeking a full range of candidates, including recent doctoral and post-doctoral trainees. UW-Madison is a world-class research institution with abundant resources for engagement in scholarly work. Collaborative and translational research are highly valued and supported. Madison is a vibrant city, and a community which blends ethnic tradition, urban sophistication and youthful spirit.

**Responsibilities:** Develop and maintain a productive independent research program of nationally recognized quality. Teach graduate courses in the Master of Science in Occupational Therapy Program and Therapeutic Science MS/PhD tracks. Provide service and leadership to the University, public and profession.

**Qualifications:** Doctoral degree in occupational science or related field by start date. Evidence of potential for developing and maintaining independent research program of nationally recognized quality. Experience working as an occupational therapist and with diverse populations is preferred. Occupational therapy applicants should be eligible for national certification and Wisconsin licensure.

**Application** submitted electronically to Search Committee Chair should include: (1) letter of application, (2) curriculum vitae, (3) reprints of up to 3 recent articles or a sample from the doctoral dissertation for doctoral candidates or recent graduates, and (4) three letters of recommendation.

**Deadline: December 31, 2011**
